**Michael** joined Farnan LLP in March 2012. Prior to joining Farnan LLP, Michael was an associate in the Delaware offices of a national law firm. Notably, Michael served as Delaware counsel on patent cases and worked on several litigation teams in complex commercial cases, including teams assisting a U.S. Bankruptcy Court Examiner investigating one of the country's leading multimedia companies.

At Farnan LLP, Michael's practice focuses on representing clients as Delaware counsel in the U.S. District Court and litigating serious personal injury and complex commercial actions in the Delaware Superior and Chancery courts.

In the Spring of 2011, Michael was selected and successfully completed the Federal Trial Practice Seminar. The Seminar is a multi-week instructional trial practice program sponsored by the United States District Court for the District of Delaware and the Delaware Chapter of the Federal Bar Association. The Seminar selects eight lawyers who have less than 10 years of experience as a practicing attorney and demonstrate the ability and interest in regularly litigating in the District Court.

Michael is a member of the Federal Bar Association and the Delaware State Bar Association.
